

## **Bear Mountain Inn Parking Area**

### **Bear Mountain, NY**

- **Take the Throgs Neck Bridge to the Cross Bronx Expressway to the UPPER LEVEL of the George Washington Bridge.**
- **Once on the bridge, move over to the two right lanes.**
- **At the end of the bridge, take the first exit onto the Palisades Interstate Parkway.**
- **Stay on the Palisades Interstate Parkway to the end (past Exit 19).**
- **At the Bear Mountain Traffic Circle, take the first right, to 9W South.**
- **Follow 9W South, past the picnic groves on the right, to the traffic light, and bear right at the light.**
- **After the light, do NOT take the first right, which goes to the Bear Mountain Inn main parking lot. Instead, stay on the road and go past this entrance to a second entrance, with a toll booth (there's a fee to park). Enter through here, and go to the back parking lot (behind the buildings). We'll meet at this back parking lot.**
