

Appendix C — Philmont Height and Weight Limits

The maximum weight for any participant in a Cavalcade Trek or for horse rides is 200 lbs. Under no circumstances will any individual weighing more than 295 pounds be permitted to participate in backcountry programs. This requirement is necessary because of limitations of rescue equipment and for safety of search and rescue personnel.

Individuals who do not meet Philmont's weight for height requirements will not be allowed on the trail and will be sent home at their own expense.
